

**Year 4
Homework Menu
What happened
when the Romans
came?**

Research the different Roman gods and present your findings in an interesting way.

Find out which towns were once Roman. Plot them on a map and identify their Roman names.

Can you write the Roman numerals out to 100?

What did the Romans eat?
Can you find any Roman recipes?
Can you try and cook Roman food?

Design a poster to advertise the next Gladiator fight.
Can you use Roman numerals to say the date or the time?

There were many countries in the Roman Empire.
Can you find out all their names?
Do they still have the same names today?

Design and label your own Roman chariot.

Design a mosaic that could go on the floor in a Roman bath house.

Imagine that you are a Celt and the Romans have just started to invade.
Write a diary entry to explain what is happening and how you feel.

There were different types of gladiators, each with their own type of armour and weapons.
Draw and label a new type of gladiator to take part in the next games.
