

Text box size needs to be 16cm high and 12cm wide to fit in the planners.
Select the textbox, click on format at the top which is highlighted orange and check the sizes on the right hand side of the screen.

Vikings!

Four hundred years after the attack of the Anglo Saxons, Britain has a new, but familiar, problem!

In about the year 800, bands of fierce raiders began to attack our coast. Get ready to explore this extraordinary time from Britain's history! Find out about the Vikings and their reasons for leaving their homeland and discover what happened when the mighty Anglo Saxons came face to face and sword to sword with the Viking invaders!

This term we will be ...

Historians and geographers, uncovering the reasons for the Vikings coming to invade our country. Who were they and why did they invade and conquer our land? We'll discuss what their lives were like and what it'd have been like to live in a Viking settlement. Finally we'll find out what happened when they met the Anglo Saxons.

Sculptors and model makers, designing and building a Viking shield and a 3D scene.

Readers, continuing to travel along with our reluctant hero, Bilbo Baggins. After his peaceful life was shattered by the arrival of a powerful wizard, we'll find out how he gets on at the end of his dangerous quest!

Code-breakers and code makers, creating and solving different codes and understanding how codes have been used throughout history. Have you ever used a code to send a secret message?

Religious experts, comparing how Jesus' amazing life is described in the different gospels and understanding the significance to Christians.

Scientists, examining and describing how people change during their lives and develop to old age.

We'll also be doing lots more from a range of other subjects including, English and Maths and working on our targets. Here are a few websites connected with this terms learning:

<http://primaryhomeworkhelp.co.uk/vikings.html> - a good range of information about the Vikings
https://www.nms.ac.uk/explore-our-collections/games/vikings-training-school?item_id - can you survive and conquer the Viking training school. Try the warrior, craft and explorer challenges!
http://www.bbc.co.uk/history/interactive/games/viking_quest/index_embed.shtml - another interactive Viking challenge. Make decisions about your raid on the Lindisfarne monastery, will you succeed and survive?
