

1. Read a book or article about a famous inventor and write a short biography of their life.

2. Draw a plan for your own invention. Write about the problem it solves, what it does and how it works.

3. Make a 3D model of your invention from task 2.

4. Create an illustrated timeline of inventions and inventors. Order the items in chronological order according to when they were invented.

5. Create a poster advertising a piece of technology. Persuade everyone that this really is the best invention of all time and that they would be daft to miss out!

Year 2 - Summer Term 2

What is the best ever invention?

6. What is your favourite invention? Where and when was it invented and by who? What does it do? Find out all you can about your invention and write a review.

Task 8 – Moving on

As we prepare to move on to Year 3, write about your favourite memory of year 2.

7. *Free choice – Get creative and do something related to inventions that I haven't thought of yet!*
