

Text box size needs to be 16cm high and 12cm wide to fit in the planners.
Select the textbox, click on format at the top which is highlighted orange and check the sizes on the right hand side of the screen.

Who lives in a place like this?

Get ready this term to travel to distant lands and explore the interesting and intriguing homes of a range of animals from around the world.

This term we will be ...

Geographers, trekking the globe in search of the habitats of wild animals.

Scientists, exploring and finding out what these habitats are like and how the animals survive there. This will let us consider the basic needs of different animals and how they depend on one another.

Writers, producing fact files and information about animals and their habitats. We will also immerse ourselves into the story of Little Evie in the Wild Wood. This language rich text will allow us to use our narrative writing skills to create our own version of this incredible story.

Artists, investigating the animal artwork of Stephen Brown and produce our own art work inspired by his use of colour. We will also explore and use clay to create animal sculptures.

PE will be on a **Tuesday** and **Thursday**. Children will need to arrive in their PE kit with suitable shoes. Earrings should be removed and long hair tied back.
