

IDEAS FOR HOMEWORK

WHY DID THE VIKINGS CHOOSE TO ATTACK LINDISFARNE AND INVADE BRITAIN?

In preparation for our next topic, we are offering a team point for each piece of extra homework completed at home. We have detailed below a few ideas you could do at home:

Research and find out about the Vikings;

- ✓ Where did they live?
- ✓ Why did they come over to Britain?
- ✓ What weapons did they use?
- ✓ Were there any famous Vikings?
- ✓ What were they responsible for?

You could make a PowerPoint, fact file or an information book answering these questions. This information will be really helpful for our future Viking lessons.

You might also want to make a Viking shield.

Create a Viking quiz using Microsoft Powerpoint – or use the Kahoot app and remember the pin code. We will then be able to play this on the iPads in the classroom.

Pretend you're a Viking on a raid and write about your daily life in a diary entry.

Create a Viking long ship using materials you have found around the house.

Find out about Viking food and cook something, with an adult, for the rest of your family.

You could even review what you have made and bring in a set of instructions for other children to use.

Make a flip book about the day in the life of a Viking.

We are looking forward to seeing you complete some of these homework tasks. All pieces of extra homework will be displayed somewhere in the classroom. We look forward to seeing your work!

IDEAS FOR HOMEWORK

WERE THE ANGLO SAXONS FIERCE FIGHTERS OR FRIENDLY FARMERS?

In preparation for our next topic, we are offering a team point for each piece of extra homework completed at home. We have detailed below a few ideas you could do at home:

Research and find out about the Anglo Saxons;

- ✓ Where did they live?
- ✓ Why did they come over to Britain?
- ✓ What weapons did they use?
- ✓ Were there any famous Anglo Saxons?
- ✓ What were they responsible for?

You could make a PowerPoint, fact file or an information book answering these questions. This information will be really helpful for our future Anglo Saxons lessons.

You might also want to make an Anglo Saxon helmet.

Create a Anglo Saxon quiz using Microsoft Powerpoint – or use the Kahoot app and remember the pin code. We will then be able to play this on the iPads in the classroom.

Pretend you're an Anglo Saxon and write about your daily life in a diary entry.

Create an Anglo Saxon house using materials you have found around the house.

Find out about Anglo Saxon food and cook something, with an adult, for the rest of your family.

You could even review what you have made and bring in a set of instructions for other children to use.

Make a flip book about the day in the life of an Anglo Saxon.

We are looking forward to seeing you complete some of these homework tasks. All pieces of extra homework will be displayed somewhere in the classroom. We look forward to seeing your work!
