Dear Parents/Carers,

Booking Dinners on Arbor

I am writing to remind families of the importance of booking your child's school dinner in advance using Arbor.

Pre-ordering meals is essential as it allows our kitchen team to prepare accurately for the number of meals that need to be cooked each day. This is particularly important as we cater for large numbers of children, including those with specific dietary and allergy requirements. Having accurate numbers helps ensure meals are prepared safely, efficiently and with minimal waste.

If a meal has not been booked in advance, we cannot guarantee that your child will receive their preferred option. In most cases, this will mean they are allocated a red option on the day.

To avoid disappointment, please ensure you book your child's meals in advance via Arbor. Bookings can be made from home and can be completed for multiple days at a time.

Thank you for your support in helping our kitchen team run a safe and smooth service each day.

Kind regards,

Karl Hopkinson
