Dear Parents/Carers,

## Free Breakfast Club – Update

Following the recent consultation regarding the Department for Education's rollout of the free breakfast provision, I wanted to provide you with an update.

Unfortunately, we have been informed that Ordsall Primary School has not been included in the next phase of the rollout. This means that we will not yet be able to offer the 30-minute free breakfast provision that was outlined.

We understand that this may be disappointing, particularly for families who were looking forward to this support. We are currently awaiting further information from the Department for Education regarding future phases of the rollout. At this stage, it may be that we are required to wait until the next academic year to be included.

Please be assured that we will continue to monitor this closely and will keep you fully updated as soon as we receive any further information.

Thank you for your continued support.

Karl Hopkinson
