Statement of intent

Ordsall Primary School understands that visits and trips can be effective ways of motivating pupils, and they can often offer unique educational experiences. The school aims to ensure that pupils are engaged in their learning and are given opportunities to explore this in a more practical setting.

At Ordsall Primary School, educational visits form an integral part of our vision to *Play, Learn and Grow Together*. We believe that learning beyond the classroom enriches the curriculum, develops character, broadens aspirations and provides memorable experiences that support pupils' academic, personal and social development.

Educational visits form part of the school's wider enrichment offer and are carefully planned to ensure all pupils have access to a broad range of experiences throughout their time at Ordsall Primary School.

The school takes the health and wellbeing of our staff and pupils very seriously. This policy has been designed in line with DfE and HSE guidance and details our responsibilities for pupils and staff members while out on educational visits and school trips.

1. Legal framework

This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- The Health and Safety at Work etc. Act 1974
- DfE (2018) 'Charging for school activities'
- DfE (2018) 'Health and safety on educational visits'
- HSE (2011) 'School trips and outdoor learning activities'
- DfE (2013) 'Driving school minibuses'

This policy operates in conjunction with the following school policies:

- Complaints Procedures Policy
- Behaviour Policy
- Health and Safety Policy
- Charging and Remissions Policy

2. Definitions

'In loco parentis' means that the group leader of any school trip or educational visit has a duty of care over the pupils in place of a parent.

'School trip' means any educational visit, foreign exchange trip, away-day or residential holiday organised by the school which takes pupils and staff members off-site.

'Residential' means any school trip which includes an overnight stay.

Activities of an **'adventurous nature'** include, but are not limited to, the following:

- Trekking
- Caving
- Skiing
- Water sports
- Climbing

3. Roles and responsibilities

The governing body is responsible for:

- The overall implementation of this policy.
- Ensuring that this policy complies with the Equality Act 2010.
- Ensuring educational trips and visits positively impact on pupils' lives, teaching them life skills and providing new experiences.

The headteacher is responsible for:

- The day-to-day implementation and management of this policy.

- Appointing an educational visits coordinator.
- Liaising with the educational visits coordinator and communicating information regarding any planned trips to parents.
- Liaising with the governing body regarding the organisation of extra-curricular trips and activities, including settling any disputes.
- Being part of the approval process for extra-curricular trips and activities.
- Ensuring the educational visits coordinator is competent to oversee the coordination of off-site education and arranging for training to be undertaken, as necessary.
- Completing relevant paperwork, including risk assessments, for extra-curricular trips and activities.
- Ensuring suitable safety measures are in place prior to each trip or activity.
- Overseeing the work of the educational visits coordinator, ensuring a whole-school approach is adopted when planning and coordinating extra-curricular trips and activities.
- Ensuring there are contingency plans in place in the event of a member of staff being absent on the day of the trip or activity.

The educational visits coordinator is responsible for:

- Overseeing all issues and controls regarding extra-curricular activities and trips
- Ensuring all visits are planned, approved and recorded through the school's educational visits management system (Evolve), where required by the Local Authority.
- Liaising between all appropriate parties, including the local outdoor education adviser, during the planning and organising of extra-curricular activities and trips.
- Ensuring the systems and procedures for dealing with educational visits adhere to the requirements of this policy.
- Partaking in relevant additional training to ensure they remain up-to-date with relevant educational trip information and health and safety guidance.
- Overseeing the planning of the educational trips, by ensuring all essential documentation, including risk assessments, is up to date and appropriate for completion by the designated trip leader.
- Appointing an appropriate and competent member of staff to be the designated trip leader for each trip.
- Ensuring the competency of the designated trip leader, in consultation with the headteacher, by organising training for staff and volunteers.

The designated trip leader selected to be in charge on an individual trip is 'in loco parentis' and has a duty of care to all pupils on the trip. They are also responsible for:

- Identifying the educational purpose of the extra-curricular trip or activity and presenting its benefits to the headteacher.
- Undertaking any relevant training or courses which are arranged by the educational visits coordinator.
- Completing all essential documentation for the trip and ensuring it has been approved by the educational visits coordinator.

- Conducting a risk assessment prior to school trips and educational visits to ensure pupil and staff safety.
- Creating an itinerary prior to an educational visit or school trip and distributing it to pupils, parents and staff to ensure the day is well organised and safe.
- Implementing safeguarding measures throughout the planning, organisation and delivery of the extra-curricular trip or activity.
- Ensuring all adults on the trip are aware of their responsibilities.

The designated deputy leader supports the designated trip leader and will assume the designated trip leader's responsibilities if the designated trip leader is no longer fit to lead the trip, e.g., is unwell at short notice. They are also responsible for supporting the designated trip leader in completing all their relevant responsibilities by assuming any delegated tasks.

Staff are responsible for:

- Adhering to this policy and applying its principles when participating in extra-curricular trips and activities.
- Ensuring they are competent and comfortable with their delegated responsibilities, undertaking training where necessary.
- Ensuring the safety of the pupils is maximised throughout any educational visit or activity.

Volunteers on the trip are responsible for:

- Adhering to this policy and applying its principles when participating in extra-curricular trips and activities.
- Supervising and ensuring the safety of pupils by following the procedures outlined by the designated trip leader.

4. Planning school trips

Prior to planning a school trip, the following guidance will be read by the organisers:

- DfE (2018) 'Health and safety on educational visits'
- HSE (2011) 'School trips and outdoor learning activities'

A thorough risk assessment will be conducted by the designated trip leader during the planning of the trip, to ensure pupil and staff safety. Educational visits will have clear curriculum links and intended learning outcomes. Visits will be planned to enhance pupils' learning, support personal development and complement the school's curriculum.

When partaking in adventure trips, activities will always be identified at the planning stage and never added during the trip. When planning water sport activities, the need for instructors and lifeguards will be taken into account, particularly when using facilities which may not have a trained lifeguard present.

The school will do everything in its power to ensure that all pupils are given an opportunity to participate in school trips, for example, organising two trips with a smaller group size or finding a venue which can cater for all pupils. Where places are limited, allocation arrangements will be determined by the school and communicated clearly to parents in advance.

5. Risk assessment process

Our risk assessment process is designed to manage risks when planning trips, while ensuring that learning opportunities are experienced to the fullest extent. The individual carrying out the risk assessment process will have the skills, status and competence needed for the role, understand the risks involved, and be familiar with the activity.

The process is as follows:

- Identify the hazards
- Decide who might be harmed and how
- Evaluate the risks and decide on precautions
- Record findings and implement them
- Review assessment and update if necessary

Risk management will be proportionate to the activity being undertaken. Existing or generic risk assessments may be used where appropriate, with additional consideration given to any significant hazards, individual pupil needs or changes in circumstances. Written risk assessments will be completed where required by the nature of the visit or Local Authority procedures.

6. Vetting providers

When considering external providers for activities, the educational visits coordinator will check whether they hold the 'Learning Outside the Classroom Quality Badge' to indicate they meet nationally recognised standards.

If a provider does not hold the badge, the educational visits coordinator will check the following to ensure they are a suitable organisation to work with:

- Their insurance arrangements
- Their adherence to legal requirements
- Their control measures
- Their use of vehicles
- Staff competency levels
- Safeguarding policies
- The suitability of their accommodation
- Any sub-contracting arrangements in place
- The presence of necessary licences

If it is deemed appropriate to engage with an external provider, a written agreement will be created outlining what each party is responsible for. If an organisation does not meet the school's standards, they will not be considered.

7. Inclusion

The school promotes values of equality and does not discriminate against any individual or group of pupils when organising a trip. The extra-curricular trips and activities offered to pupils will provide new experiences and develop life skills.

Due to the popularity of some extra-curricular trips and activities, the school offers places on a first come, first served basis. Any individual, staff or otherwise, shown to be taking preference over one pupil or a group of pupils will be subject to formal disciplinary action.

Where possible, pupils will be given the opportunity to contribute to the planning and organisation of extra-curricular trips and activities.

For school trips that require additional payment, the fee will be reasonable and help will be provided where possible for pupils who cannot afford the initial fee.

8. Parental consent

Parents will be informed of all off-site visits. Consent will be obtained where required by legislation, Local Authority guidance or where the visit involves activities presenting a higher level of risk, overnight stays or other circumstances determined by the school. Typically, parents will be informed of activities by letter and will have the opportunity to withdraw their child from taking part.

9. Staffing ratios

There will be sufficient staff to cope in an emergency and generally. Staffing ratios may change depending on the outcome of a risk assessment process, considering type of visit or activity, the age of the children participating and what the school deems safe. The school will always aim to keep ratios as small as possible, using as many members of staff as possible.

The Early Years Foundation Stage Statutory Framework no longer sets out different requirements for minimum ratios during outings from those required on site (either 1:8 or 1:13 in Early Years settings and 1:30 in infant classes in maintained schools). As with other age groups, the most suitable ratio for an outing will be established through a risk assessment process. The resulting ratio is most likely to be lower than the minimum ratio described within the EYFS Statutory Framework.

Staffing levels will always be determined through the visit-specific risk assessment, taking account of:

- pupils' age
- SEND
- medical needs
- behaviour
- venue
- transport
- activity
- environmental conditions

In addition, we use the benchmark guidance given by Evolve to support with setting our staff to pupil ratios.

- EYFS (ages 3 – 5): at least 1 member of staff or adult for every 6 children.
- School years 1 to 3 (ages 5 – 8 years): 1 member of staff or adult for every 6 children.
- School years 4 to 6 (ages 8 – 11 years): 1 member of staff or adult for every 10 – 15 children.

10. Accidents and incidents

In the case of accidents and injuries while on a school trip in the UK, the school's accident reporting process will begin, as detailed in the Health and Safety Policy.

11. Missing person procedure

The school places pupil and staff safety as its top priority when participating in school trips.

Before embarking on the trip, extensive risk assessments are undertaken in accordance with this policy. The educational visits coordinator will communicate with the venues of the school trips to ensure the correct group sizes are planned for each setting.

When travelling with a pupil with SEND, the educational visits coordinator will ensure an adult is with them at all times and that the visit is adequately modified to suit the pupil's needs in accordance with this policy.

All adults on the trip will be provided with a contact sheet for all members of staff, in the event they are unable to locate their group. All staff members will be required to carry mobile phones with them at all times.

Upon arriving at every venue, the designated trip leader will identify a rendezvous point where pupils and adults should go if they become separated from the rest of the group.

Regular head counts of all pupils and staff will take place throughout the day to ensure all persons are present at all times.

In the event someone goes missing whilst on a school trip:

- The designated trip leader will ensure the safety of the remaining pupils and staff by taking a register to identify who is missing.
- The designated trip leader will immediately identify at least one adult to start looking for the person and another adult to contact them via phone, these people will look for the person until, where necessary, the police arrive.
- Where possible, the venue will be notified of the missing person to help ensure the person is found quickly.
- If the person cannot be contacted or located within 10 minutes, the local police will be contacted.
- If the police are called, the trip leader will contact the headteacher, or other available person, back at the school and inform them of what has happened.
- Parents/carers will be informed as soon as practicable, taking account of police advice where appropriate.

If the police are called to an incident where someone is missing, they will oversee locating the person and will advise on factors including, but not limited to, when to contact next of kin.

If the missing person cannot be found, the group will return to school. If this is not possible, the educational visits coordinator will make arrangements to ensure the group's safety, e.g. by changing venues or cancelling visits.

If a member of the party has gone missing and is subsequently found, the trip leader will:

- Review the group sizes and staffing ratios to ensure no one becomes separated from their group.
- Review whether more registers should be conducted throughout the day.
- Assess which venues they attend to ensure they are suitable for the group.
- Make recommendations to the educational visits coordinator to ensure similar incidents can be avoided in the future.

12. Pupils with SEND

Where possible, activities and visits will be adapted to enable pupils with SEND to take part. The SENCO will liaise with pupil's parents, where appropriate, to consider what reasonable adjustments may be necessary.

Where this is not possible, an alternative activity of equal educational value will be arranged for all pupils. The level of adult support will be determined through the visit risk assessment and will reflect the individual needs of the pupil rather than a fixed staffing model.

13. Finance

The financial procedures outlined in the school's Charging and Remissions Policy will always be followed when arranging trips.

The school will act in accordance with the DfE's guidance document 'Charging for school activities' (2018) and, therefore, will only charge for trips which are classed as an 'optional extra'. This is education provided outside of school time which is not:

- Part of the national curriculum.
- Part of a syllabus for an examination that the pupil is being prepared for at the school.
- Part of religious education.

Money for school trips will always be paid directly to the school. Under no circumstances should school trip money be processed through personal accounts.

All letters to parents regarding school trips will include a clause explaining what will happen in the event that the trip is cancelled or a pupil cancels their place on the trip.

In the event that the trip is cancelled due to unforeseeable circumstances, it is at the headteacher's discretion as to whether a refund is given to parents. The headteacher will consult the governing body on the matter, taking into account the cost to the school, including alternative provision costs.

In the event that a pupil cancels their place on a trip, it is at the headteacher's discretion as to whether a refund is given to parents. The headteacher will consult the governing body on the matter, taking into account the pupil's reasons for cancelling their place, whether the school will be reimbursed for the pupil's place on the trip, and whether the space on the trip can be offered to someone else.

The school will take a common-sense approach to refunds and cancellations, ensuring that all pupils are treated equally. Any charge made in respect of pupils will not exceed the actual cost of providing the trip divided equally by the number of pupils participating.

Once trip arrangements are booked and confirmed, if contributions to a trip exceed the total cost of the trip, a refund will be given where the excess is greater than £1 per pupil. Any excess of expenditure will be subsidised by the school fund.

14. Evaluating trips and visits

Following an educational trip and/or visit, staff will evaluate:

- Educational impact
- Safeguarding arrangements
- Behaviour
- Organisation
- Risk management
- Any recommendations for future visits

15. Monitoring and review

The effectiveness of this policy will be monitored by the headteacher. The governing body will review this policy annually.
